Christ Jesus, ACIM: "Whenever you become aware of your Magnificence, however dimly, you abandon the ego automatically because in the presence of your grandeur is God; the meaninglessness of the ego becomes perfectly apparent. Though the ego does not understand this, the ego believes that its enemy has struck and attempts to offer gifts to induce you to return to its protection. SELF-inflation of the ego (Grandiosity) is its alternative to the grandeur of God, which is your Magnificence [Divine Mastery]. Which will you choose? Even the faintest hint of your magnificence drives the ego from your mind. Grandeur is totally without illusions and because it is real, it is compellingly convincing. YOU –meaning your confused thinking–have made grandiosity and are afraid of it because it is a form of attack. It is actually an attack on you. It is a significant distraction from your remembering Who You Are. **Remember always that you cannot be anywhere EXCEPT in the Mind of God.** When you forget this, you [your ego] will despair and you [your ego] will attack [saying, you are unholy, unworthy, to little]."
